Introducing bswift® Mobile

Say goodbye to the traditional hassles of benefits management and welcome a streamlined, intuitive mobile experience.

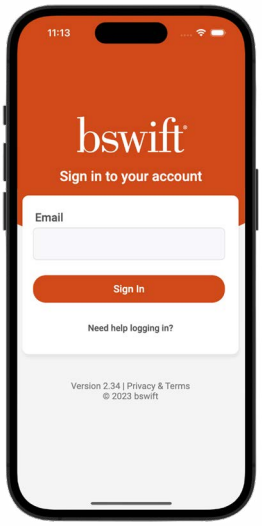

The bswift mobile app offers access to your benefits, no matter where you are. By leveraging innovative back-end technology and consumer-grade navigation and design, the app empowers you to make smart and timely health care decisions without stress. With its user-friendly enrollment process, you can take full control of your benefits experience.

Key features of the bswift mobile app

Effortless Login

Get started quickly with our user-friendly login process designed for both first-time and returning users.

> ***Login Instructions:***
> ***Enter any email associated with your account.***
> ***This could be a Personal or Work Email if they are both on file.***

Secure Biometrics

Keep your information safe with our app's secure user authentication and smooth biometric login.

ID Card Upload

Simplify benefits management by snapping a photo of your ID cards and storing them directly within the app.

Streamlined Benefits Overview

Make informed decisions with a comprehensive overview of your coverage details, deductibles, copays, and Health Savings Account (HSA) balance, all in one place.

Seamless Carrier Access

Streamline the process of finding and contacting your insurance carrier with easy-to-locate call-to-action buttons within the benefits overview.

Efficient Dependent Management

Streamline the dependent management process and simplify how you upload necessary documents directly within the app.

Frictionless Enrollment

Keep enrollment easy and empower you to manage your benefits on your own. Experience seamless flexibility with bswift Mobile – an on-the-go solution for quick and easy benefits management, anytime, anywhere.

Online Bill Pay

Effortlessly manage billing through secure online payments integrated directly within the user-friendly app interface.

Download the bswift app today to get more out of your benefits experience.
